ADMISSION REQUIREMENTS

In order to be eligible for university studies in Hungary, a student must demonstrate that they meet several requirements for the course or program. There are certain general entry requirements that all students must meet and documents that applicants must submit:

- 🎓 Certificate of the previous studies (Secondary school leaving certificate, BA/BSc degree, MA/MSc degree)
- 📄 Transcript of previous studies (or academic records)
- 🎓 At least upper-intermediate proficiency in the language of instruction (e.g.: IELTS 5.5, TOEFL 517)
- 📄 CV in the language of instruction
- 🎓 Motivation letter in the language of instruction

In addition, there are entry requirements that are specific to the course the student is applying for. For example, an engineering course may require a higher level of previous maths studies. Information on the specific entry requirements can be found on the study program's page on the University's website: www.international.pte.hu.

Pécs, Hungary

The University of Pécs is located in the uniquely beautiful and lively city of Pécs – a proper, multi-campus university town – which was designated to be the European Capital of Culture in 2010. The large international student population has become essential part not only the university but of the city's everyday life as well.

Through the traditions of the first Hungarian university, Pécs is the center of science and education and as Southern Hungary's scientific and economic center it is a frequent host of domestic and international conferences and symposia. In terms of entertainment and events, the city offers a huge number of activities, excursions and festivals for everyone, regardless of taste or budget.
