UNIVERSITY OF PÉCS
FACULTY OF PHARMACY

Pécs, Hungary

The University of Pécs is located in the uniquely beautiful and lively city of Pécs – a proper, multi-campus university town – which was designated to be the European Capital of Culture in 2010. The large international student population has become essential part not only the university but of the city's everyday life as well.

Through the traditions of the first Hungarian university, Pécs is the center of science and education and as Southern Hungary's scientific and economic center it is a frequent host of domestic and international conferences and symposia. In terms of entertainment and events, the city offers a huge number of activities, excursions and festivals for everyone, regardless of taste or budget.
