Master in Management
 Ranking 2017

The programme is ranked among the best 100 Master in Management programmes in Europe by the Financial Times.

Our programme is ranked among the top 100 Master in Management programmes in the world by QS.

The programme aims at preparing, training and developing successful business managers who possess the necessary business knowledge, professional experience, unique competencies and international mindset to become leaders of the business world.

Each student of the Master in Management programme can benefit from:

- A solid business and management training needed to become a future manager
- A dual-degree or dual-competence certificate
- A specialization obtained in the school or from the partner university
- Professional experience obtained through the different options (internships, gap year, work-study)

The Master in Management Programme has given me a real opportunity to experience the terms of professionalism and international openness. This Master has allowed me to gain a professional experience and to open myself up to the world with the possibility of departure abroad. The generalist program of the Master allows us to be versatile and to have knowledge in several fields. It is a real added value for us students.

50% of students find a job before obtaining their degree

36 555 € average gross annual income upon graduation

Graduates of the programme take on high-level managerial positions in the different areas of Marketing, Sales, Business Development, Consulting, Strategy, Finance, Business Analytics etc. Those graduates are experts in their area of specialization who possess excellent managerial and leadership skills. All of that is combined with concrete work experience obtained through the internships or work placements that they performed during the programme helping them to face the different challenges inside the company and prepare for their future business role.

Career opportunities after completion of the programme:

- Project Manager
- Business Analyst
- Community Manager
- Marketing Manager
- PR Manager
- Customer Advisor
- Auditor
- Assistant Manager (HR, Marketing, Accounting, Supply Chain..)

Thanks to one of the career days organised at ESC Clermont, many company representatives were present to allow the students to learn about the companies. Valeo was among those companies. The invaluable experience I have gained on during my internship in Valeo, combined with the knowledge and exposure during my study period at ESC Clermont will permit me to realise my career goal and secure a job placement in a multinational company in France.

List of companies who welcomed our students in 2016:

A workspace and vital resource to ESC students with projects for launching new companies or taking over existing companies destined for closure. The SquareLab facilities as well as consulting sessions and training programs are also available to local companies and entrepreneurs. The SquareLab launches around 15 new start-ups per year and works in close partnership with other local structures nurturing infant companies.

A career service dedicated to supporting all students in their professional integration. The team of the JobLab accompanies the students through consistent counseling, guidance and support during their study period. This is represented in the form of:

- JobTeaser (online platform with more than 4,000 offers)
- Career days organized at the school
- Conferences and workshops
- Tools and methods of job hunting

With over 12,000 graduates spread over five continents, the school connects those graduates with the students through the Alumni network while proposing different events and activities organized throughout the year (JobDatings, meetings, advising on expatriation and so on..). The network promotes for enriching experiences through community engagement and support.

It's really pleasing to study at ESC Clermont, you can meet a lot of teachers and students who are amazing, the way that they teach us is different and creative. There are so much events in our school to increase our knowledge and gain a new experience.

INTERNATIONAL OFFICE

SUPPORT BEFORE, DURING AND AFTER YOUR STAY

ESC Clermont's International Office provides consistent support to international students for them to make the most of their unique experience at ESC Clermont. Students are provided with practical assistance and support in terms of accommodation search, visa regulations, health matters and any other issues that may arise during a student's stay. The International Office accompanies students before their stay, integrates the students during their stay and builds ties with the students after they finish their study period.

HOUSING

The school has a partnership agreement with 'Moversia' an agency that provides international students with practical and personalized services to ensure a comfortable stay in Clermont-Ferrand. The service is completely **free of charge for full fee-paying 'non-exchange' students**.

The service includes:

- Pre-arrival housing search and welcoming (Communication of accommodation offers and photos, Airport pickup and so on..)
- Administrative assistance (Housing grant, Housing lease, Electricity, gas and internet contracts, Opening bank account)

THE CITY OF CLERMONT-FERRAND

Located at the heart of France, Clermont-Ferrand is ranked as the best student city in France* welcoming more than 42,000 students who are attracted by the city's quality education, cultural and sport infrastructure, safety levels and the dynamic economy of the city, where 1 out of 3 citizens is less than 20 years old. The city has proximity to other major French and European cities.
